CARL R. POHLAD
Owner

Carl Pohlad purchased majority ownership of the Minnesota Twins from Calvin Griffith on June 22, 1984, and assumed control of the team on September 7, 1984. He purchased the team with a sense of community responsibility and a feeling that major league sports, particularly baseball, are vital to the standard of living any community must strive to achieve. Not only did Mr. Pohlad keep the Twins in Minnesota, but he has been committed to placing a quality, winning team on the field as has been exhibited by two World Championships.

Mr. Pohlad is a member of two of the most important ownership committees: the Major League Baseball Executive Council and the Player Relations Committee Board of Directors. He was also recently elected vice president of the American League.

A civic and business leader in the Twin Cities, Mr. Pohlad is president and director of Marquette Bancshares, chairman of the board of Mesaba Holdings Inc. and director of Champion Air and Genmar Holdings Inc.

To the Pohlad family, involvement in the community is extremely important. Mr. Pohlad is active on numerous civic boards benefiting young people. He is a founding member of the Board of Directors of the Boys' and Girls' Clubs of Minneapolis and is a member of the advisory council at Johns Hopkins Department of Orthopaedic Surgery. Pohlad serves as a Trustee of the Hugh O'Brian Youth Foundation, and since 1989 has been a member of the Horatio Alger Association of Distinguished Americans which provides scholarships for graduating high school seniors. Pohlad also serves the Twin Cities community through his work as a board member of Methodist Hospital and Health System Minnesota. He has also been a member of the National Ethnic Coalition of organizers since 1990 and is on the Board of Governors of the Saddat Peace Foundation.

Carl and his wife, Eloise, live in Edina, MN, and have three sons, all of whom serve on the Twins' nine-member Executive Board.

Prior to becoming involved in professional sports, Bell's background was in the park planning and construction business.

His professional activities include Board of Directors for the Twins Community Fund, member of Major League Baseball Enterprise Board, Professional Baseball Association Committee/Baseball Operations Committee and Minneapolis Downtown Council. Past activities have included three terms as member of the North St. Paul/Maplewood School Board, including five years as chairman; member of the Minneapolis Chamber of Commerce Communications Committee; Board of Directors for the Greater Convention and Visitors Association; member of the Executive Committee of the Minneapolis/St. Paul Final Four organizing committee and former consultant to the Miami Dolphins, Ltd., of the NFL.

Prior to becoming general manager he was vice president of player personnel, a position he assumed on September 23, 1991. He pitched in the Twins' minor league system for four seasons, posting a 14-3 record, including 10-0 in 1973, before an arm injury cut his career short. In 1975, he enrolled at the University of Wisconsin-Madison and graduated with a degree in physical education in 1979.

He returned to baseball in 1980 as Midwest scouting supervisor for the New York Mets, a position he held for six years before being named the Twins' scouting director in January, 1986. DID YOU KNOW???

. . . that only once in their 35 seasons have the Twins won three games in a row by the same score. They beat Boston on September 3, 1987, 2-1, and followed with 2-1 victories over Milwaukee the next two days, all three of which took place in the Metrodome. The Twins have twice lost three games in a row by the same score. They were 2-1 games, July 21-23, 1967 at California, and 4-3 decisions, May 2-4, 1988, the first two coming at Milwaukee and the third at Baltimore. There have been 14 other occasions when three straight Twins' games wound up with the same score, but with different winners.

DID YOU KNOW???

. . . that the longest home run ever hit by a Twin was estimated at 520 feet. Harmon Killebrew crushed the three-run blast off California righty Lou Burdette, which landed in the sixth row of the upper deck at Metropolitan Stadium on June 3, 1967. The ball cracked the seat, which was later painted orange to commemorate the event.

SAVES RULE

Credit a pitcher with a save when he meets all three of the following conditions:

(1) He is the finishing pitcher in a game won by his club; and
(2) He is not the winning pitcher; and
(3) He qualifies under one of the following conditions:
  (a) He enters the game with a lead of no more than three runs and pitches for at least one inning; or
  (b) He enters the game with the potential tying run either on base, at bat or on deck; or
  (c) He pitches effectively for at least three innings.

No more than one save may be credited in each game.

It is considered a 'blown save' when a pitcher who has entered a game in a save situation departs with the save situation no longer in effect because he has given up the lead. If the save situation still exists when he leaves the game, he is not charged with a save opportunity. And, if he has not given up the lead when he leaves the game, even though the save situation may no longer exist, he is not charged with a save opportunity.

DID YOU KNOW???

...that the longest home run ever hit in the Metrodome was hit into the second deck in right field by Milwaukee's Ben Oglivie off Brad Havens, July 27, 1983, a 481-ft. shot. Pedro Munoz holds the record for the longest homer to center field, 473-ft., off California's Mark Langston, April 5, 1994. Mark McGwire hit the longest boomer to left field, 475-ft., off Frank Rodriguez, June 9, 1996. The honor for the longest homer ever hit by a Twin in the Metrodome, however, belongs to Kent Hrbek, who smashed a 480-ft. shot to right field off Texas' Charlie Hough, September 9, 1984.

DESIGNATED HITTER RULE

A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of the designated hitter for that game.

The designated hitter is 'locked' into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn immediately becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher must then assume the batting of the replaced defensive player, thus terminating the designated hitter role. The designated hitter is eligible for all American League batting titles.

PINCH-HITTER RULE

A player shall be considered a pinch-hitter only if he enters the game as a substitute batter, and then only on his first time at bat, which must be before he becomes a fielder. (If the team bats around and a pinch-hitter comes up a second time in the inning in which he first appeared, he will not be considered a pinch-hitter during that second time up.)

A substitute hitter for a designated hitter is both a pinch-hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a designated hitter only.

DID YOU KNOW???

. . . that on September 22, 1968 vs. Oakland at Metropolitan Stadium Cesar Tovar became the second major leaguer ever to play all nine positions in one game. He is also the only position player to be the starting pitcher in Twins' history, as he tossed a scoreless first inning, including a strikeout of Reggie Jackson. He went on to catch, play first base, second base, shortstop, third base, left field, center field and right field for an inning apiece.

TWINS ON WORLD WIDE WEB

The Minnesota Twins Baseball Club officially launched its own web site on the internet in April of 1996. The site provides fans with the latest Twins' news and information. The web site line-up includes complete player profiles and career statistics, schedule and ticket information, upcoming special events and promotions, the latest news from the Twins' minor league affiliates, feature stories on Twins' players, coaches and team officials and Twins' in the community. The site also provides fans the opportunity to purchase merchandise at the Twins' on-line store. During the season, fans can look forward to game notes updated prior to each home and road game and in 1999 the site will broadcast all 162 Twins' games live via real audio. Also new in 1999 is on-line ticketing as fans can purchase tickets for Twins' games at the site. All this can be accessed with the Twins' web address, **www.twinsbaseball.com**.

DID YOU KNOW???

. . . that on 22 occasions Twins catchers and pitchers have combined to nab three would-be basestealers in a game, but only once, May 29, 1982, have they ever nailed four runners. Ken Griffey, Graig Nettles, Bobby Murcer and Willie Randolph were caught by catcher Sal Butera that day; Nettles and Murcer as part of a Twins' tripleplay.

The determination of earned-runs is as follows:

'An earned-run is a run for which the pitcher is held accountable. In determining earned-runs, the inning should be reconstructed without the errors and passed balls, and the benefit of the doubt should always be given to the pitcher in determining which bases would have been reached with errorless play.'

Until 1969, a reliever could not be charged with an earned-run if he entered the game after the side could have been retired but for an error, no matter how many runs he subsequently gave up in that inning. Now, runs scored by batters who reach base off the reliever are charged as earned on that pitcher's record. They are not, however, charged as earned against the team as a whole. Therefore, a discrepancy may occur between the total earned-runs charged against a team and the sum total of the earned-runs charged against the individual pitchers of that team.

DID YOU KNOW???

. . . that Roy Smalley and Chili Davis are the only two Twins ever to hit home runs from both sides of the plate in the same game. Smalley connected lefthanded in the third inning off Boston's Rob Woodward and righthanded in the seventh off Joe Sambito, May 30, 1986 in the Metrodome. Davis hit his first righthanded in the sixth inning off Kansas City's Chris Haney and lefthanded in the eighth off Steve Shifflett, October 2, 1992 at Kauffman Stadium.

THE GEMINI CLUB

A great deal of credit for the sale and maintenance of the Twins season ticket and group account base is due to the efforts of the club's volunteer ticket-selling arm, the Gemini Club. Under the direction of Twins' sales administrative manager Beth Vail, the Gemini Club continues to assist in the team's sales and marketing efforts.

Currently numbering 28 members, Molly Mulvehill of Planet Hollywood is the president of the Gemini Club, until June, 1999 when Bob Martin of MacroSoft will take over that position. Most of these members are Twin Cities businesspersons, but the ranks include individuals from out-state communities as well. Mulvehill is also assisted by a five-member board of directors, and the sales force consists of five teams of up to six members each.

Each of these Gemini Club members volunteers his or her time in an effort to assure that Major League Baseball will always be a viable commodity in our Upper Midwest market. Each of them, too, was selected after a careful screening process based on a determination of the qualifications needed to be a success in this unique venture. Members who reach their goals receive among other things a trip to a major league ball park each summer and an American League pass.

Persons interested in becoming Gemini members can contact the Twins Sales Office at (612) 375-7454.

ABOUT THE UNIFORMS

The 1999 season marks the 13th year in which the Twins will wear their current uniforms. The home jerseys are white with navy blue pinstripes and a "Twins" script in scarlet on the front and an interlocking "TC," representing the team's logo that was used from 1961-86, on the left sleeve. In mid 1996, names were added to the back of the home uniforms. The road uniforms are grey with navy pinstripes and block "Minnesota" in scarlet on the front and the Twins' primary logo on the left sleeve and names in navy on the back. The 1997 season marked the first time the Twins had an alternative or "Sunday" jersey. The jerseys are navy blue with red piping and block "Minnesota" in scarlet on the front and the Twins' primary logo on the left sleeve and names in white on the back.

The hat, navy blue with a scarlet script "M" on the front, is used for both home and road games. Some subtle changes were made in 1994 including the removal of the script "M" from the stirrups and the lightening of the blue, which has been made more standard to better match the blues of other teams.

PLAYER LIMITS

Major league rosters are limited to 25 active players from Opening Day through August 31. Teams may expand their active rosters to as many as 40 players on September 1. During the course of the season, a team may place as many players as they want on the 15-day disabled list, during which they must remain inactive for a minimum of 15 days (no maximum). Teams may also place as many players as they need to on the 60-day emergency disabled list, where they must remain for a minimum of 60 days, but only when the club is at the maximum of 40 players. Players carried on this list are not counted in 40-man roster limit. If placed or transferred there after 60 days prior to the final game of the season, the player must remain there through post-season.

CHAMPIONSHIP QUALIFICATIONS

A player must have a minimum of 502 plate appearances (at-bats, walks, hit-by-pitch, sacrifices, sacrifice flies and catcher's interference) to qualify for a major league batting-percentage championship.

If a batter falls short of 502 plate appearances, he might still be determined the batting champion if by adding a sufficient number of at-bats to his record to bring his plate appearances up to 502, his average based on these additional at-bats is still the highest in the league. His actual average, however, would be the official.

For the ERA title, a pitcher must pitch a minimum of 162 innings.

COLLEGE SCHOLARSHIP PLAN

The College Scholarship Plan is a program designed to assist players in financing their education at a college or university. Each major league team agrees to contribute money, as arranged between the team and player, upon signing with the club. The scholarship includes tuition, room and board, and books for a specified number of semesters at an academic institution. The Minnesota Twins have participated in the plan since 1962.

Minnesota Twins in the Community
A Tradition of Giving Back

It takes more to win a baseball game than strikeouts, home runs and stolen bases. It takes talent, teamwork, drive and dedication — something the Minnesota Twins strive for every day at the Metrodome. Our goals off the field — to help others, to give back to the community and to enhance the quality of life for all of those who live and work in the Upper Midwest — take an equally strong commitment. We take that commitment just as seriously. That's how we truly win at home.

Through the club's own Twins Community Fund, cooperative programs and the support of players and their families, the Twins share in a tradition of mutual support between the team and its fans that reflects the values of this community. From Killebrew to Puckett, from Allison to Steinbach, the Twins have a built a reputation across the region for making our community a better place to live.

Twins Community Fund

Established in 1991, the Twins Community Fund is one of three Pohlad Family Charities focused on providing expanded recreation and education opportunities for young people. Over the last eight years, the Fund has contributed more than $800,000 to nonprofit organizations throughout the region.

Twins COMMUNITY FUND

The healthy development of children is the main interest of the Fund, with a large percentage of the funds used to support programs created and/or operated by the Twins, Major League Baseball and local community partners.

Commitment to Youth Baseball

For more than three decades, the Twins have been dedicated to promoting the game of baseball to youngsters across the Upper Midwest.

Highlighting the Twins youth baseball efforts are the club's own **Rookie League** and **R.B.I. (Reviving Baseball in the Inner City)** programs which introduce the game of baseball to urban boys and girls. Expanded for 1999, more than 1,500 Twin Cities kids will participate in the Twins Rookie League and R.B.I. programs this summer.

1999 marks the fourth year of the Twins **Field of Dreams** program which is aimed at renovating youth baseball fields throughout the region. From Fargo to Faribault, local communities can apply for field renovation funding designed to provide a clean and safe environment for our young people.

A staple of the Twins organization since 1961, the Twins **Youth Clinics** provide Upper Midwest kids with "hands-on" baseball instruction. Free and open to boys and girls ages 6-16, Twins clinics have attracted more than 750,000 youngsters over the years.

Commitment to Education

Over the years, the Twins organization has developed a number of programs and partnerships designed to assist students throughout the region.

New in 1999, the Twins are proud to partner with local school districts in presenting **Baseball Math**, a program aimed at improving student's basic skills with the help of a baseball-themed curriculum.

The ballclub also continues its **Salute to Education** which provides Upper Midwest students the opportunity to attend Twins games for just $2 during the months of April and May. Twins players and broadcasters visit a number of area schools in conjunction with the program.

The Twins also once again offer local students the opportunity to participate in two contests: the **Father of the Year Essay Contest** designed to promote dads in our community and the **Holiday Card Contest** which provides boys and girls the opportunity to design the team's annual Holiday greeting card.

Twins Players Giving Back

At the cornerstone of the Twins community outreach efforts are the club's manager, coaches, players and their wives. Since 1961, this special group of people have built a winning tradition on the field — and in the community.

Each season every Twins player is asked to identify a local nonprofit organization as his designated charity. Thanks to the **Player Charity** program, Twins players have had a significant impact on the lives of adults and kids living throughout the region. Recent examples include Paul Molitor's partnership with Camp Heartland, Terry Steinbach and Deva House and Ron Coomer with the Children's Miracle Network.

Every year, Twins players also team to provide local youngsters with free game tickets as part of the club's **TwinsCare** community ticket program. In 1998, more than 60,000 free tickets were distributed to area youth thanks to the support of several players including Brad Radke, Marty Cordova, Kirby Puckett and others.

Also highlighting the Twins players commitment to the community is the club's annual **Winter Caravan** which featured stops in more than 45 cities in January-February of 1999. Current Twins Todd Walker, Matt Lawton, Ron Coomer, Eric Milton and others participated in this annual tour designed to thank fans for their continued support.

Twins players are just half of the ballclub's community equation, as the **Twins Wives Organization** continues its community outreach efforts. Each season the Twins Wives form fund-raising partnerships with a variety of local charitable organizations. In 1998, the Twins Wives raised in excess of $35,000 for several Upper Midwest charities.

TWINS' RETIRED NUMBERS

HARMON KILLEBREW

One of the greatest home run hitters of all time, Harmon Killebrew will forever be remembered to Twins fans as the 'Killer' for his prolific clouts. A member of the Twins from their inaugural Minnesota season in 1961, Killebrew hit 573 career home runs, 475 of them in his 14 seasons with the Twins, to place him 5th on the all-time home run list and second only to Babe Ruth in American League history. He hit over 40 home runs on eight occasions and 30-or-more 10 times while driving in 100-plus runs nine times.

Killebrew was the American League's Most Valuable Player in 1969 when he hit 49 home runs with an amazing 140 rbi and 145 walks, all team records that still stand. He was elected to the Baseball Hall of Fame on January 10, 1984, the first Twin to receive that honor. He had his number 3 formally retired August 11, 1974.

ROD CAREW

No Twins fan will ever forget the graceful power of Rod Carew's hitting stroke. Nor will any baseball enthusiast be able to forget the summer of 1977, when he made his determined run at the untouchable .400 mark, because, just as Killebrew embodied the power of the game, Carew represented the finesse. He was a career .328 hitter in his 19 major league seasons and was the winner of seven American League batting titles, all during his twelve years with Minnesota. Carew hit .300 or better 15 consecutive seasons and finished his career with 3,053 hits, which places him 16th among the all-time hit leaders and makes him one of only 21 players to collect 3000-or-more career hits.

Carew, who won his only American League Most Valuable Player award in 1977 when he finished with a .388 average, was elected to the Baseball Hall of Fame on the first ballot, January 8, 1991. He had his number 29 retired July 19, 1987.

TONY OLIVA

Pedro 'Tony' Oliva Jr., or 'Tony-O' to those who followed his 24-year career as a Twins' player and coach, was a man who seemed to excell in all aspects of the game. He could hit for power and average, run, field and throw, and his versatility made him one of the most feared hitters of his day.

Tony-O collected 1,917 hits and retired with a .304 career average. He is the only player to win batting titles in his first two seasons and was the winner of three in his 15-year career, which still stands as the club's longevity mark. His prowess as a hitter was demonstrated in the fact that he led the league in hits five times, and his 220 career home runs rank third all-time among Twins. If not for knee problems which cut short his career, Oliva would have been a certain choice for the Hall of Fame.

Oliva, the 1964 American League Rookie of the Year, began his coaching career in 1976. He now works as a hitting instructor in the Twins' minor league system and scouts for the club. He had his number 6 retired July 14, 1991.

KENT HRBEK

Kent Hrbek grew up in the shadows of old Metropolitan Stadium in Bloomington and was destined to become a Minnesota Twin. The big kid who played the game as hard as anyone and had more fun than most treated Twins fans to much excitement from the day he donned a Twins uniform and homered in the 12th inning at Yankee Stadium to give the Twins a win on August 24, 1981, until the last game of his career, August 10, 1994, when he came up with the bases loaded three times against Boston as the fans were on their feet every at-bat.

Hrbek, who was runner-up to Cal Ripken for American League Rookie of the Year in 1982, made his only All-Star appearance that season. He was most appreciated by his teammates and Twins' fans for his upper-deck power and agility and for being one of the best ever to play first base in the majors. He is among club leaders in nearly every offensive category, but may be best-remembered for his Game Six grand slam in the 1987 World Series or for his tag of Atlanta's Ron Gant in Game Two of the 1991 World Series. He had his number 14 formally retired August 13, 1995.

KIRBY PUCKETT

Considered by most to be the greatest Twin ever, 'Puck' was baseball's jewel for 12 incredible seasons. His story was about being a hero from day one when he became the ninth player in history to collect 4 hits in his first game, May 8, 1984 at California. The dramatic entrance proved to be just the first of many heroic performances leading up to his most shining moment on October 26, 1991 during Game Six of the World Series versus Atlanta. He went 3-4, made a leaping catch off the plexiglass robbing Ron Gant of a sure extra-base hit and became the ninth player to end a World Series with a home run on the final pitch off Charlie Leibrandt in the 11th inning to force a seventh game.

The 10-time All-Star, 6-time Gold Glove Award winner and 5-time Silver Slugger Award winner had his career cut short when he awoke with blurred vision caused by glaucoma on the morning of March 28, 1996. He was later forced to announce his retirement due to irreversible damage to the retina in his right eye on July 12. He retired as the Twins' all-time leader in hits (2,304), doubles (414), total bases (3,453), at-bats (7,244) and runs (1,071).

Besides his endless on the field accomplishments, Puckett is also one of the game's greatest community leaders and was given Major League Baseball's Roberto Clemente Man of the Year Award in 1996. He had his number 34 formally retired May 25, 1997.

JACKIE ROBINSON

Jackie Robinson broke baseball's color barrier when Branch Rickey brought him up to the Brooklyn Dodgers in 1947. He brought a dynamic style of play to the game and terrorized the base paths. Robinson also proved to be a an excellent hitter and a superb defensive infielder. He was voted the National League MVP in 1949 when he hit a a league-leading .342 and drove in 124 runs. He batted .311 in his 10-year career and set several fielding records for second baseman.

In conjunction with the 50th anniversary celebration of Robinson breaking baseball's color barrier, interim Commissioner Bud Selig announced on April 15, 1997 at Shea Stadium that Major League Baseball will retire his uniform number 42 in perpetuity.

The Minnestota Twins officially retired his number on May 23, 1997. In addition, the Twins contributed $50,000 to the Jackie Robinson Foundation going to scholarships for students of color. The foundation also agreed to match dollar-for-dollar scholarships awarded by the Kirby and Tonya Puckett Scholars Program at the University of Minnesota.

After those times, no further requests will be accepted. We ask that each request be limited to two (2) tickets with each accompanied by a check to cover the price of the tickets ($19 apiece for lower club and $11 apiece for upper club), while those ordering over the phone must pay by cash or check (no credit cards) when picking up the tickets. All tickets will be placed at the Press and Player Will Call window the day of the game no earlier than 1 1/2 hours before game time. No tickets will be mailed out in advance.

INTERVIEWS: Most interviews may be conducted on the field during batting practice where the manager, players and coaches are usually available, as long as the interview does not interrupt their pre-game routine. Members of the media must stay in foul territory between first and third base. In-depth interviews that require more time with a player should be pre-arranged through the Media Relations department. Reporters and broadcasters must leave the field, with photographers reporting to their assigned photo positions, no later than one-half hour before game time.

CLUBHOUSE ACCESS: The Twins' clubhouse will be open to media with clubhouse credentials until 30 minutes prior to and no longer than 10 minutes following each game. All live television broadcast shots must be conducted outside the clubhouse. On occasion of a team meeting, the clubhouse will be closed until the conclusion of the meeting. The training room and weight room are off-limits to everyone except the manager, coaches, players and Twins' officials. The dugout is off limits during the game for everyone except the manager, coaches, players, trainers and certain club officials, in accordance with American League rules.

PRESS BOX: Space is available for accredited members of the media on assignment only. The lower level is reserved for writers and broadcast reporters, while the upper level is divided into broadcast booths for live coverage by radio and television networks. Phones and SportsTicker News Service are available. To reach the Media Relations office and the Twins' dining room, take the press box stairs down two flights to Lower Level 2 and take a right. Proceed past the Twins' clubhouse and enter through the wooden doors.

PRESS ROOM: The Twins' dining room, located on Lower Level 2 near the Media Relations office, is available for pre-game meals to media with appropriate credentials, for a $8 charge, approximately two hours prior to, and up until, game time. Complete note sets containing statistical information will be available in the dining room, as well as the press box.

PHOTOGRAPHERS: Due to a lack of on-field photo spots, the first and third base photo bays are limited to the two local papers, the two wire services and DomeVision cameras. Certain exceptions may be made depending on space availablity. An alternative for photographers are the two upper deck photo baskets. Photographers assigned to the on-field locations should remain in the photo bays at all times during the game. If necessary, photographers should leave between innings only. Photos are allowed during batting practice, but photographers must remain in foul territory, between first and third base.

PARKING: There is no on-site parking available at the Metrodome, but municipal ramps and parking lots are available near the stadium.

THE METRODOME

- Opened on April 3, 1982, the Hubert H. Humphrey Metrodome has been home to the Twins for the past 17 years. It was the third domed facility in baseball and remains the only air-supported structure among the 28 in use.
- The Metrodome is the only stadium in the world to play host to the World Series (1987 and 1991), baseball's All-Star Game (1985), the Super Bowl (XXVI, 1992) and the NCAA Final Four Basketball Tournament (1992).
- Construction began on December 20, 1979 and was built by the state of Minnesota at a cost of approximately $68 million.
- Located on a 20 acre site in the Industry Square district of downtown Minneapolis, the stadium has an interior volume of 60 million cubic feet and is covered by 10 acres of Teflon coated fiberglass 1/32" thick. It is 195 feet from the highest point of the interior ceiling to the playing field.
- It takes 250,000 cubic feet of air pressure per minute to keep the roof inflated.
- The field's AstroTurf was installed in January, 1995 and is removable.
- The Metrodome includes 7,600 retractable seats in rightfield, the largest such section of any stadium in the world. It can be converted from baseball to football use, and vice versa, in four hours.
- An additional 900 seats were added prior to the '94 season by moving both dugouts closer to the field and adding three rows closer to field level. Section 113 in the right field corner was also added to increase **total capacity for baseball to 48,678.**
- A retractable curtain displaying the banners from the Twins' championship years was hung in right-center prior to the '96 season.
- A Plaza was added along Kirby Puckett Place on the west side of the Metrodome prior to the 1996 season. The area offers tents for groups of 100 to 1,000 and features a wide variety of food and beverage items. The plaza serves as a gathering spot for fans before games and hosts a pregame concert series before every Friday night home game.
- The pitcher's mound is powered by an electric motor and can be raised and lowered at the push of a button. The mound weighs 23,000 pounds and is 18 feet in diameter.
- Field dimensions are 343' down the leftfield line, 385' to the leftfield power alley, 408' to dead centerfield, 367' to the rightfield power alley and 327' down the line in right. The fence in leftfield and centerfield is 7' high and the one in rightfield is 23' high, including 16' of plastic tarp installed in 1983. Leftfield had a 6' plexiglas extension from 1983-93, but it was removed prior to the '94 season.

TWINS' 1999 BROADCASTERS

HERB CARNEAL

The dean of American League radio broadcasters, Hall of Famer Herb Carneal celebrates his 38th year as 'Voice of the Twins' in 1999.

Herb was the recipient of the Ford C. Frick award in 1996. The award is baseball-broadcastings highest honor and presented annually to broadcasters who make major contributions to baseball and its fans.

Hired away from the Baltimore Orioles in 1961, where he was part of the play-by-play team for five years, Carneal has been behind the microphone for all but the first of the Twins' 38 seasons. He has become an institution not only in the state of Minnesota but throughout the vast reaches of the Upper Midwest to which his voice carries.

Before joining the Orioles in 1957, Carneal served as sports director of a Philadelphia station where he broadcast Athletics and Phillies games.

Carneal and his wife, Kathy, live in Edina, MN, and have one daughter.

JOHN GORDON

The 1999 season is John Gordon's 13th as the Twins' radio counterpart to Herb Carneal. Before coming to the Twin Cities prior to the 1987 season, Gordon was part of the New York Yankees broadcast crew from 1982-86.

The Detroit native began his broadcasting career with the Spartanburg Phillies in 1965 after graduating from the University of Indiana. After five years with Spartanburg, Gordon joined the Baltimore Orioles where he remained until 1973, when he accepted the broadcasting job at the University of Virginia to become the voice of Cavaliers football and basketball. From there he joined the Yankees' Class AAA affiliate Columbus Clippers from 1977-81, before moving to New York in 1982.

John and his wife, Nancy, have two grown children and make their home in Apple Valley, MN.

BERT BLYLEVEN

This will be Bert Blyleven's fourth full season as color commentator for the Twins.

Blyleven, who pitched in the major leagues for 22 years, including 11 seasons with the Twins, retired following the 1992 season. In 345 career starts with the Twins he had a 149-138, 3.28 record and he holds the club record for complete games (141), shutouts (29) and strikeouts (2035).

The native of Zeist, Holland broke in with the Twins in 1970 with an impressive 10-9, 3.18 record. After posting at least 15 wins in each of his next five seasons, he was traded to the Texas Rangers along with Danny Thompson on June 1, 1976 as part of a six-player swap that brought the Twins Mike Cubbage, Jim Gideon, Bill Singer and Roy Smalley. He returned to the Twins in a trade with Cleveland on August 1, 1985. The trade paid dividends as Blyleven helped the Twins win the first World Series in 1987 as he turned in a 15-win season and pitched well in the post-season.

Bert and his wife, Gayle, and their sons Tim, Royle, Tom and David make their home in Ft. Myers, FL.

TELEVISION PRODUCTION CREW: Kevin Smith, director of programming, Dave Higgins, director, Matt Hoover, producer, Tom Pahnke, producer and Liz Fors, production coordinator.

DID YOU KNOW???

. . . that in 1975 pitcher Jim Hughes was named the American League Player of the Month for May. In perhaps the best month ever pitched by a Twin, Hughes went 6-0 with a 0.87 ERA, including 5 complete games and 7 shutout innings in relief.

TWINS' 1999 BROADCASTERS (cont.)

The Staples (MN) High School grad is also the voice of University of Minnesota basketball, football and hockey and and has called games for University of Iowa basketball, University of Minnesota volleyball and the Minnesota North Stars in his 21-year career.

Dick and his wife, Heidi, along with their son, Erik and daughter Hannah, make their home in Rogers, MN.

PAUL MOLITOR

Future Hall-of-Famer Paul Molitor begins his first year in the Twins broadcast booth.

Molitor, 42, played in the major leagues for 21 years and retired following the 1998 season. He finished his career ranking 8th on the all-time list in hits (3,319), tenth in at-bats (10,835), tied for 10th in doubles (605), 15th in runs (1,782) and 24th in games (2,683).

He made his big league debut in 1978 with the Milwaukee Brewers, with whom he played for 15 seasons. He played in his first World Series in 1982 and put together a 39-game hit streak during the 1987 season.

Following the 1992 season, he signed with the Toronto Blue Jays where he played for three years. Toronto went on to win the 1993 World Series for which Paul was named MVP.

In 1996 Paul came back to play for his hometown Minnesota Twins and had perhaps his finest season, setting career highs in games, hits and rbi and tied his career high in doubles. The year was capped off when he collected his 3,000th career hit, September 16 at Kansas City.

The St. Paul native starred for Cretin High School and the University of Minnesota. Paul, wife Linda and daughter Blaire, make their home in Edina.

DID YOU KNOW???

. . . that in 1989 Kirby Puckett won his first batting title with a .339 average, while leading the league in hits for the third consecutive season. He joined Ty Cobb and Tony Oliva as the only American League players to lead the league in hits for three consecutive years.

TWINS' SPRING TRAINING MEDIA POLICIES

SEASON CREDENTIALS (including parking): Issued only to daily newspaper reporters who'll be covering the club, home and road, and to area radio and TV sports reporters and camera crews who will be covering on a regular basis.

All other media entities will be credentialed on a per-game basis (including parking) and a letter from the person's editor must be mailed or faxed (941-768-4251) to Sean Harlin.

Transferral of working press credential will result in the termination of coverage privileges for the individuals involved.

FIELD ACCESS: Allowed during batting practice and other workouts during the early training period, but once the game schedule begins the field must be cleared at the end of visitors' batting practice. All reporters must confine themselves to foul territory between 1st and 3rd base. Workouts begin daily at approximately 9:30 a.m.

DINING ROOM ACCESS: Available only to those media credentialed to cover that day's game. This room will open at 11:30 a.m. for day games (5:30 p.m. for night games) and will close at gametime.

Working photographers will be permitted in the press dining room on the same basis as other reporters.

PRESSBOX ACCESS: Permitted only to members of the Baseball Writers' Association of America and to coverage reporters of area daily newspapers and radio and TV stations. Weekly newspapers can be accommodated only on a space-available basis.

CLUBHOUSE ACCESS: Limited to members of the Baseball Writers' Association of America and to coverage reporters of area daily newspapers and radio and TV stations. The clubhouse will be open prior to and following workouts during the pre-schedule workout period with certain exceptions. During the game schedule, the clubhouses will be closed at the end of batting practice until five minutes after games.

Clubhouse access is limited to the player-locker area and the manager's office. The training room, exercise room and equipment rooms are off-limits to all media.

No cameras are allowed in the clubhouse.

INTERVIEWS: Players will accommodate when possible where on-field interviews are concerned, but are not available for in-studio appearances or appearances on their own time.

RADIO & TV: No cameras will be allowed in the clubhouses. Feature material should be filmed on the field during batting practice. Post-game interviews should be conducted on the field for TV; radio may be done in the clubhouse.

CAMERA POSITIONS: Several camera positions are available for shooting during the game, but no cameras will be allowed on the field itself. The center field position will be for game television cameras only, as will the low home position. High and low, 1st and 3rd base will be credentialed on a space-available basis. Any photographers shooting from the field photo pits will only be allowed to leave or change positions between innings.

PHOTOGRAPHERS: No photographers will be allowed on the field during the game or in the clubhouse at any time. There are at least four positions from which photographers may shoot during games.

On the first two days of batterymen workouts and the first two days of full-squad workouts, photographers will be allowed the freedom of the field during the exercise period, but must stay in foul territory during the actual workout times. On all other days, all media personnel must stay in foul territory and no farther down the lines than 1st and 3rd bases.

PHOTO DAY: Will be on Monday, March 1, beginning at 8:00 a.m., sharp. All photographers seeking file head shots are asked to cooperate by doing this on Photo Day, when the players will be made available in an assembly line fashion to accommodate all accredited news services.

AUTOGRAPHS: Professional journalists do **NOT** ask for autographs. Any media members asking for autographs will have their credentials revoked.

TICKETS: May be purchased by coverage personnel out of a block held for this purpose. These are priced at $11.00 each and must be for personal use only and advance notice is recommended to increase chance of availability.

FOR ADDITIONAL INFORMATION: Call Sean Harlin (941-768-4213) or write Lee County Sports Complex, 14100 Six Mile Cypress Parkway, Fort Myers, FL 33912.

SPRING TRAINING RECORDS

This is the ninth year that the Twins are training at Lee County Sports Complex after having trained at Orlando's Tinker Field from 1936-90.

The Twins' minor league training drills were switched from Melbourne to Terry Park in Fort Myers in 1990 and the entire organization was united at the Lee County Complex in 1991.

Complete spring training team statistics have been kept only since 1965. The various categorical highs since then have been as follows:

LEE COUNTY SPORTS COMPLEX

The Twins will spend their ninth spring training season at the Lee County Sports Complex in 1999. Spurred by the state-of-the-art facility, the Twins won the 1991 World Series after enjoying their most successful spring training camp in history as they posted a record-high 21 wins. In the eight years the Twins have drawn at total of 686,700 fans for 126 dates, an average of 5,450 per game.

Located south of the city of Fort Myers near Interstate Highway 75, the Lee County Complex is home to the Twins and their six minor league affiliates. It features five full and two half-fields, the centerpiece of which is a 7,500-seat stadium in which the major league Twins play their exhibition games and conduct some of their daily workouts. The main stadium was renamed Bill Hammond Stadium late in the 1994 spring season in honor of the County Commissioner who was instrumental in getting the complex built for the Twins.

The Sports Complex is the home to two of Minnesota's minor league affiliates in 1999, housing both the Miracle of the Class A Florida State League and the Rookie level Gulf Coast League Twins.

Complete home and visiting clubhouses are included in the stadium proper, and complete facilities for the minor league teams are contained in a building adjacent to their playing fields.

The major league club's administrative offices are located in the stadium, with the minor league department's offices in the building adjacent to their fields.

The complex also features two soccer fields, a softball complex and other athletic facilities for use by Lee County organizations, plus an eight-acre water-management lake for public fishing.

The Twins trained in Orlando, Florida, from 1936 (with the exception of the war years of 1943, '44 and '45, when they conditioned in College Park, Maryland) to 1990, and their minor league clubs moved to Terry Park in Fort Myers in 1990, after headquartering in Melbourne, Florida, from 1964-89.

The Lee County Sports Complex, a $14,000,000 undertaking, was completed in February, 1991. Lescher and Mahoney, an architectural and engineering firm based in Tampa, Florida, were the lead architects for the project, with design assistance from Ellerbe-Becket of Kansas City, Missouri. Case Contracting Company of Plant City, Florida, was the contractor.

The Twins and Lee County have a twenty-year agreement for use of the complex.
